- Support of world leading manufacturers

# Does your current Maintenance, Repair & Operations (MRO) function Make the Grade?

(It 100% will with Howcroft)

Howcroft Tailored Solutions: **We don't just sell products, we offer solutions.** Our experts can help you develop customised procurement strategies that optimise your inventory, reduce costs, and improve efficiency.

## Howcroft Group provide a complete procurement solution:

**One-Stop Shop:** We offer a vast inventory of MRO products, from bearings and power transmission components to lubricants, tools, and safety gear. Find everything you need in one place.

**Expert Guidance:** Our experienced team understands the unique needs of various industries and can help you select the right products for your specific applications.

**Reliable Supply Chain:** We maintain a robust supply chain with reliable partners, ensuring you have access to the products you need when you need them.

**Technical Support:** Our knowledgeable team is available to provide technical support, troubleshooting assistance, and product recommendations to ensure your operations run smoothly.

**Cost Savings:** By partnering with Howcroft Group, you can consolidate your MRO procurement, reduce administrative overhead, and utilise our product & industry knowledge, skills and experience to best effect.

**Quality Assurance:** We only source products from reputable manufacturers who meet our stringent quality standards, ensuring you get reliable, high-performance MRO products at a competitive cost.

**Inventory Management:** We offer inventory management services to help you track your stock levels, automate reordering, and optimize your inventory for maximum efficiency.

**Competitive Pricing:** We leverage our strong supplier relationships to negotiate the best possible prices for our customers, ensuring you get maximum value for your investment.
